

CECAN International Symposium - 9/10th November 2017

PRESENTATIONS

Thursday 9th November

Session

Panel session with Q&A – **The need for complexity-sensitive evaluation**

Link to Presentation

[Prof. Nigel Gilbert, Director of CECAN](#)
[Link to CECAN Video](#)
[Dr Gary Kass, Natural England](#)
[Dr Adam Hejnowicz, University of York](#)

Panel session and Breakout groups – **Complexity and Sustainability Dialogues: Exploring Complex Thinking for Sustainable Futures – Environment, SDGs and Agenda 2030**

[Prof. Zenda Ofir, Stellenbosch University](#)
[Dr Denis Lanzanova, University of Geneva](#)

Panel session with Q&A – **Cutting edge complexity-sensitive evaluation methods**

[Dr Emilie Beauchamp, IIED](#)
[Prof. Brian Castellani, Kent State University](#)

Panel session with Q&A – **Spreading the word: how can we convince the sceptical that complexity, systems thinking and computational methods are important for the evaluation of Nexus policies?**

[Prof. Flaminio Squazzoni, University of Brescia](#)
[Barbara Schmidt, Eurofound](#)

Friday 10th November

Session

'Falling walls' Session

Link to Presentation

[Barbara Schmidt, Eurofound](#)
[Prof. Brian Castellani, Kent State University](#)
[Dr Dorothy Lucks, SDF Global](#)
[Julian Barr, ITAD / UK Evaluation Society](#)

[Dr Stefania Munaretto, Netherlands Environmental Assessment Agency \(PBL\); and Institute for Environment](#)
[Dr Stuart Astill, CECAN/IOD PARC](#)

Session

The role of funders and evaluators - 3 presentations followed by Q&A

1. The Value of Evaluation
2. Integrating biodiversity programming in USAID
3. Complexity of the role of the evaluator

Panel session – **Getting government to deal with complexity**
